Greetings!

Below you will find the itinerary for the second game of the season on Friday, September 13, 2012. We will be performing at half time at this game. We are in need of 9 parent chaperones for this game. If you are interested in chaperoning, please send an e-mail to: teaubecat@hotmail.com.

Please refer to the band handbook for specific information on the marching uniform and football game procedures. The handbook is located on the band website (www.treasurecoasthighschoolband.com). Please subscribe to the band twitter feed or Facebook page for updates during the game. Please note that the end time listed for the game is approximately what time the game will end. There are many variables that can shorten or extend the game's length. We will update the band's twitter feed and Facebook page in the event the game ends early or runs late so that parents know what is going on.

I am looking forward to an outstanding performance and hope you will be there to support the band. The students have worked very hard these last few weeks and are going to do a great job this Friday night!
